THEO. H. DAVIES. A CREAT REMEDY!

Such's California Asthma Cure! TO THE PUBLIC. For the past two years I have been subject to severe coughing spells, es-celally in the morning, as soon as I would awake. This sugh at last terminated in a meet severe attack of authura is being a disease herediany to our family. Last An ist, 1872, I was setted with a most severe attack of others. I coughed so much that it seemed to take away I stream. I coughed so much that it seemed to take away

gust, 1877. I was seited with a most severe attack of asthma. I coupled so much that it seemed to take away all strength. I could eat nothing without its giving me severe pain in the cleast and image. I called it a doctorated in medicine but to no purpose. I was recommended to go into a warmer climate, and I went to Sar Jose, but change of climate had no effect, and when I left San Jose I never expected to recover. I finally tried this remedy, which gave such relief at once that I continued taking it and it effected a complete and radical cure. I am now as a haic and hearty as I ever was in my life. I have recommended it to others, and it movariably produced the same happy results. I now recommend it to the public, because I believe, as a remody for asthma, it has no equal.

San Phantereco, March 12, 1872—To all seban if may concern—This is to certify, that I had a severe cough for many years. I took all modificate I could hear of for coughs and then asthma, but all best he effect in a few days, and being well acquainted with the vegetable kingdom, I have made gallons for myself, and all had about the same effect after several days taking, until Mr. Such, the Good Samaritan, came along with a bottle of his Cataroninsta Asymma Curas, which helped my very much. My case being of long standing, it can truly recommend the medicine to others.

Respectfully yours, Bill, L. Gil, Pill, Sole Agents in the Hawilson Indiana.
